NATIONAL TRUST
for HISTORIC PRESERVATION®

Protecting the Irreplaceable™

RICHARD MOE
PRESIDENT

May 23, 2007

Mr. Patrick Connoy
Economic Development Project Coordinator
Hennepin County
417 North 5th Street, Suite 320
Minneapolis, MN 55401

Dear Mr. Connoy:

I am delighted to tell you that the selection committee of the National Trust's Johanna Favrot Fund for Historic Preservation has approved a grant of \$8,500 to Hennepin County.

Congratulations on your fine work and your success in being one of ten projects that we were able to assist in this round of the Johanna Favrot Fund. With the grant comes our warmest wishes for success in your efforts.

The family of Johanna Favrot created this fund at the National Trust on Mrs. Favrot's 80th birthday in order to help save historic environments across the country. Mrs. Favrot passed away in August 1995, but in her final months she spoke often to her family of her happiness in having this fund established to provide seed money for preservation projects across the United States.

We encourage you to announce this grant publicly and to use your selection to further the success of your project. To this end, a press release as well as a list of grants awarded will be forthcoming shortly.

The Midwest Regional Office of the National Trust will soon send you additional information on the grant and will assist you in any way possible.

With best wishes.

Sincerely,

Richard Moe
